I started out as a girl in a small town that was often made fun of and never believed in herself. I took life into my own hands and moved away to begin a new life. From LA to Vegas and now I'm in Dallas; all the way from Death Valley, CA. I began modeling in Vegas after a short stem in LA. After a year in Vegas I realized I loved modeling, but not the town. I quickly moved to Dallas and began an even deeper adventure. I realized my love for music again. I'm now a writer, composing several songs as well as a television series and a book. I'm also going to school to get my real estate license on top of modeling. I'm a small-town girl with a huge personality and a love for everything that is beautiful and pure. Life is to be experienced and I plan on doing that while accomplishing my dreams and building my empire. Love, Kleekosensation

My Sexiest Feature?
I'd say my eyes, but most would say my
thighs and booty, which I also love.

I'm a 27 year old from Arkansas. I work hard, working full-time along with my modeling. A typical day for me if I'm not working is waking up, going to the gym, and cleaning or trying to keep myself busy. I love to travel. Cuddling is my favorite. I'm modeling in order to hopefully further my education. Email me for booking inquiries. Xoxo, Kellie

Hi, I'm Daisy. I'm 19 years old and live in upstate SC. I have 7 dogs that are loved very much. I'm the youngest of 3 sisters and I started modeling for the thrill and excitement it gives me to express myself using my body instead of words.
